To the Ethos Hiring Team,

I am writing to express my interest in the Video Editor position at Ethos Life. I spent some time researching Ethos, and your mission to protect families by democratizing access to life insurance really aligns with what I am looking for. In an increasingly fast-changing world, building an authentic, accessible experience is critical, and that requires video content that builds immediate trust.

With over 15 years of experience producing and editing high-stakes campaigns for brands like Disney, Boeing, and the Department of Defense, I have developed the technical precision and storytelling fundamentals necessary to create compelling assets. More recently, I have successfully applied these standards to the YouTube and paid social ecosystems, utilizing the fast pacing and strong hooks required for effective direct response.

My complete portfolio of work is available at jefferykerr.com. I would welcome the opportunity to discuss how my editorial workflow and dedication to quality can support the marketing and growth objectives at Ethos Life.

Best regards,

**Jeffery Kerr**
