SUMMARY

I lead video campaigns across brands, corporate, and the public sector: launch pieces, explainers, interview-driven stories, and big event packages. I turn fuzzy ideas into clear, watchable work and keep delivery predictable. Trusted by Disney, Boeing, Century 21, Raytheon, DoD, FTC, and New Balance. I assemble and lead the right crew, and I still cut when it helps. I work with modern tooling, including AI workflows, custom API integrations, and web application development.
