NOTABLE

- 10M+ views across campaign suites
- Live events for 10k+ attendees
- Clients: Disney, Boeing, DoD, FTC

On-site, hybrid, or remote
Staff roles or long-term engagements

I evaluate and accelerate post-production workflows across NLEs, specializing in multi-cam, proxy media, and AVID/ProTools interchange. I turn complex editorial pipelines into clean, repeatable systems. Trusted by **Disney, Boeing, Century 21, Raytheon**, and the **DoD**. I audit AI-assisted editing tools against professional standards and work with modern tooling including **AI workflow evaluation**, custom API integrations, and web development.

EXPERIENCE

Owner / Creative Director
2014 - Present
jefferykerr.com - Grand Rapids, MI

- Execute video campaigns leveraging NLE mastery and keyboard-driven edit logic
- Build end-to-end media pipelines navigating proxy workflows and shared metadata
- Architect workflow automation tools, auditing timeline instructions and delivery specs
- Implement cinematic color workflows and node-based VFX for digital broadcasts

Associate Producer
2015 - 2025
Signal Group DC - Washington, DC

- Managed projects from intake to delivery, ensuring AVID/ProTools interchange compatibility
- Tightened review cadence across remote teams to evaluate and refine creative output
- Coordinated creative, vendors, and compliance/legal to reduce last-minute fire drills

Freelance Director, Motion Designer, Editor
2010 - 2015
AVmedia, Inc. - Orlando, FL

- Produced live corporate events and screen content for shows nationwide
- Improved playback reliability and cue timing with cleaner run-of-show docs

Freelance Motion Designer / Editor
2012 - 2019
Chatham Light Media - Alexandria, VA

- Produced political spots on rapid, compliance-heavy timelines; delivered broadcast and social cutdowns
